

2022 CPCA / CFPA ANNUAL GENERAL MEETING

June 8-11, 2022

CPCA: The only trade association for the instrumentation and automation industry in Canada, the Canadian Process Control Association is comprised of members involved in the development, production, sales and service of process control and automation products and systems. From manufacturers to distributors, publications to service providers, CPCA members include some of the most influential process automation companies in the world. Full listing of members can be found at <http://www.cpcpa-assoc.com/members.html>.

CFPA: The Canadian Fluid Power Association (CFPA) is a non-profit Canadian association of companies committed to finding and delivering value to association members. We promote fluid power technology in Canada and provide our members with the knowledge, skills and networking opportunities essential to succeed in an increasingly competitive environment. [Canadian Fluid Power Association \(cfpa.ca\)](http://www.cfpa.ca)

For the first time ever the two organizations will hold their AGM together. The event will take place at the Westin Resort in Whistler, BC, a charming luxury hotel located right at the base of Whistler Blackcomb Mountain. The typical delegate is a member of the senior management team of the member companies. Sponsoring this event provides the opportunity to network with key decision makers over a 3-day event.

CPCA CFPA AGM DELEGATES:

- ✓ Membership is comprised of approximately 100 companies across Canada
- ✓ Companies include manufacturers, distributors, certification bodies, academia and trade publications
- ✓ Companies range in size from huge multinational to national and regional organizations
- ✓ The AGM attracts the senior management teams of each company
- ✓ Companies involved spend millions per year on communications, travel, etc.
- ✓ Expected participation of 65 members from over 50 companies

**Canadian Fluid
Power Association**

**Association canadienne
d'énergie des fluides**
